Objective:

Dedicated computer science student with a fervent passion for programming and problem-solving. Eagerly seeking internships and opportunities to apply my technical skills and gain hands-on experience in software development.

Education:

Bachelor of Science in Computer Science

University of Engineering and Technology, Peshawar, Pakistan

Expected Graduation Date: September 2026

Relevant Coursework:

- Data Structures and Algorithms

- Object-Oriented Programming

- Database Management Systems

- Web Development

- Operating Systems

- Software Engineering

Skills:

Programming Languages: Java, Python, C++

Web Development: HTML, CSS, JavaScript, React

Database Management: SQL, MongoDB

Version Control: Git

Problem Solving: Strong analytical and critical thinking skills

Software Tools: Visual Studio Code, Eclipse, IntelliJ IDEA

Operating Systems: Windows, Linux

Projects:

1. Online Bookstore Website

- Developed a responsive e-commerce website using HTML, CSS, and JavaScript.

- Implemented user authentication and payment processing functionality.

- Successfully deployed the site on GitHub Pages.

2. Task Management Application (Java)

- Designed and implemented a command-line task management system in Java.

- Utilized data structures to efficiently organize and retrieve tasks.

- Employed object-oriented principles for code modularity.

3. Personal Portfolio Website

- Designed and built a portfolio website using React and CSS.

- Integrated a contact form for user inquiries.

- Hosted the site on Netlify.

Internship Experience:

Software Development Intern

Encoder Bytes Pvt Ltd, Peshawar, Pakistan

September 2022- September 2023

- Assisted in the development of web applications, contributing to both front-end and back-end tasks.

- Collaborated effectively with a team of developers to troubleshoot and resolve software bugs.

- Participated in code reviews and contributed to software documentation.

Extracurricular Activities:

- Actively involved as a member of the Computer Science Club at UET Peshawar.

- Enthusiastic participant in hackathons and coding competitions.

- Valuable contributions to open-source projects on GitHub.

Awards and Honors:

- Recognized on the Dean's List at UET Peshawar in 2023.
